Dear:

We would like to thank you for your interest in our Community Guide Magnets. The agreement is for you as a distributing point (DP). All we ask of you is to place the magnets where the public can take the magnets free of charge. These are FREE to you as well. We will sell 6-8 ads on the magnet besides your ad. Down the center of the magnet are the non-emergency phone numbers such as: Police, Fire, Sheriff, Poison Control, Domestic Violence, and 1 other. The Advertisers get a share of the magnets at their place of business and you as a DP would get a share as well. These are a 5" x 8" glossy magnet done in full color. If you have any questions regarding the magnets please give us a call toll free. If you are interested in being our DP, we will let the businesses know where they will be distributed. In case someone questions the validity of the program, may we use your name? Yes or No (Circle One)
